NURSE ANESTHETISTS

**20-23  
CEs**

## Annual Conference • OCT. 7–9, 2016

Marriott Downtown Waterfront Hotel

**ORANA**  
OREGON ASSOCIATION *of*  
NURSE ANESTHETISTS

### OB Breakout Session | Friday, October 7, 8:00 - 11:45 | 3 CEs

Presenter: *Joseph Pellegrini, PhD, CRNA*

- Anesthesia for the Pregnant Patient Requiring Non-Obstetrical Surgery
- Innovations & Controversies in Obstetrical Anesthesia
- Pharmacological & Alternative Treatment Modalities used to treat or Prevent Hypotension During C-Section

### Friday, October 7th (3 CE): General Session

- 12:00–13:00** Conference Registration
- 13:00–14:00** Perioperative Management of the Patient with an Implantable Pacemaker or Cardioverter-Defibrillator, *Peter Schulman, MD* (1 CE)
- 14:00–15:00** Perioperative Functional Hemodynamics Monitoring, *David Rose, CRNA, PhD* (1 CE)
- 15:00–15:15** Break | Visit with Exhibitors
- 15:15–16:15** Anatomy of a Lawsuit, *Mark Silberman* (1 CE)
- 16:15–17:30** Welcome Reception with Exhibitors

### Saturday October 8th (7 CE): General Session

- 07:00–08:00** Registration | Visit with Exhibitors  
Breakfast (provided)
- 08:00–09:00** Basic Legal Issues CRNA's Should Know/Medical Malpractice and Basic Insurance Needs, *Mark Silberman* (1 CE)
- 09:00–10:00** American Association of Nurse Anesthetists Update, *Alison Carter, CRNA, MS* (1 CE)
- 10:00–10:30** Break | Visit with Exhibitors
- 10:30–11:30** Mediastinal Mass-PBL (Problem Based Learning), *Joanna Matyska, MD, DO* (1 CE)
- 11:30–12:30** TEE to the Rescue! Basics of Transesophageal Echocardiography, *Joanna Matyska, MD, DO* (1 CE)
- 12:30–13:30** Lunch (provided) | Visit with Exhibitors  
Presentation of new ORANA website
- 13:30–15:30** CRNA Business Boot Camp-Turning Your Craft Into Capital, *Mark G. Odden, BSN, MBA, ARNP, CRNA* (Sponsored by Mallinckrodt) (2 CE)
- 15:30–16:00** PAC Break: Sip, Savor & Support | Visit with Exhibitors
- 16:00–17:00** CPC Update, *Michael Anderson, DNP, CRNA, ARNP* (Sponsored by NBCRNA) (1 CE)
- 17:00** BrewCycle Raffle Drawing (for completed vendor passports)

### Sunday, October 9th (4 CE): General Session

- 07:00–08:00** Breakfast (provided) | ORANA Member Business Meeting
- 08:00–09:00** Renal Physiology and Anesthetic Considerations for Patients with Renal Disease, *Michael Anderson, DNP, CRNA, ARNP* (1 CE)
- 09:00–10:00** Neuropathic Pain and Opioids, *Kim Mauer, MD* (1 CE)
- 10:00–11:00** Anesthesia for Obstructive Sleep Apnea (OSA), *Michael Anderson, DNP, CRNA, ARNP* (1 CE)
- 11:00–12:00** Multimodal Pain Relief, *Mark G. Odden, BSN, MBA, ARNP, CRNA* (1 CE)
- 12:00–12:15** Closing Comments | Adjourn

#### Association Statements

- Prior approval by the American Association of Nurse Anesthetists for a maximum of 23 (CE) credits
- The American Association of Nurse Anesthetists is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- This educational activity is being presented without bias or conflict of interest from the planners and the presenters.
- 6 (six) CEs are being offered online, in cooperation with CE2 (ce2you.com). The participant will have up to one year to complete these six credits.

## Joseph E Pellegrini

PhD, CRNA

Friday, October 7, 8:00–11:45

Joseph Pellegrini has been a member of the University of Maryland School of Nursing faculty since 2008, and currently serves as an associate professor and Director of the Nurse Anesthesia Specialty. Dr. Pellegrini retired from the USN in 2008 after achieving the rank of CAPT where he was the Director of Research for the Nurse Anesthesia Program and chair of the Investigational Review Board (IRB) for the National Naval Medical Center. Dr Pellegrini was selected as the researcher of the year by the AANA in 2002.

## Peter Schulman M.D.

Friday, October 7, 13:00–14:00

Peter Schulman, M.D. is an Associate Professor of Anesthesiology and Perioperative Medicine at Oregon Health

& Science University where he practices both anesthesiology and cardiovascular critical care medicine. Dr. Schulman started and directs a Perioperative Pacemaker and Implantable Cardioverter-Defibrillator (ICD) Program, is the principle investigator of an industry-sponsored trial evaluating the effects of intraoperative electromagnetic interference on ICDs.

## David D. Rose

CRNA, PhD

Friday, October 7, 14:00–15:00

David D. Rose received his PhD from School of Nursing at the University of California, San

Francisco with an emphasis on cardiovascular physiology and hemodynamic monitoring. David practiced as a Senior Nurse Anesthetist for 25 years at the UC Davis Medical Center in Sacramento, California; 15 years as Chief Nurse Anesthetist. Currently maintains an Assistant Clinical Professor faculty appointment at the UC Davis Department of Anesthesiology and Pain Medicine doing clinical research on a variety of hemodynamic monitors.

## Mark J. Silberman

Friday, October 7, 15:15–16:15

Saturday, October 8, 8:00–9:00

Mark J. Silberman practices in the area of health law and white collar defense. He is a former prosecutor,

health care regulator, and currently chairs Duane Morris' national Healthcare Fraud Audit, Compliance and Enforcement group. Mr. Silberman also proudly serves as the outside General Counsel of the American Association of Nurse Anesthetists.

## Alison Carter CRNA

Saturday, October 8, 9:00–10:00

Alison Carter has been a practicing CRNA for almost 15 years. Originally from Texas, she now resides in Montana where she owns and operates Braden Anesthesia Services.

She provides coverage and consulting services to multiple hospitals, surgery centers in addition to providing office based anesthesia care.

## Joanna Matyska MD, DO

Saturday, October 8, 10:30–11:30

Saturday, October 8, 11:30–12:30

Dr. Matyska graduated from the New York College of Osteopathic Medicine of New York Institute of Technology in 2002. She knew she

would specialize in cardiac anesthesia after her first cardiac case as a first year anesthesia resident. She completed her residency training at St. Vincent Hospital in Manhattan, then moved to Winston-Salem, NC to continue her training at Wake Forest University.

## Mark G. Odden

BSN, MBA, CRNA, ARNP

Saturday, October 8, 13:30–15:30

Sunday, October 9, 11:00–12:00

Mark Odden is currently the Vice President and clinical director of Iowa Anesthesia, L.C., the company he formed in 2001, and President of Odden Anesthesia Services, L.C. This company provides anesthesia services to hospitals and pain care clinics in northeast Iowa and Wisconsin.

## Mike Anderson

DNP, CRNA, ARNP

Saturday, October 8, 16:00–17:00

Sunday, October 9, 8:00–9:00

Sunday, October 9, 10:00–11:00

Dr. Anderson is a clinical nurse anesthetist at the University of Iowa Hospitals and Clinics and is a Clinical Assistant Professor and Clinical Coordinator for the Anesthesia Nursing Program in the College of Nursing at the University of Iowa. He graduated with a Masters Degree from the Cleveland Clinic, Case Western Reserve University Anesthesia Program in 2009 and obtained his DNP from the University of Iowa in May, 2014.

## Kimberly M. Mauer MD

Sunday, October 9, 9:00–10:00

Dr. Mauer joined the OHSU Department of Anesthesiology and Perioperative Medicine in 2006 after completing both a pain fellowship and a pain research fellowship at Stanford

University. She has been on the faculty of the Comprehensive Pain Center since that time and also works in the operating room doing general and regional anesthesia.
